SUBJECT: Application Posted for the Private School Opportunity to Administer Florida Statewide Assessments in 2025–26

In accordance with Florida Statutes, any private school with at least one enrolled student receiving a [Florida Tax Credit Scholarship](#) or [Family Empowerment Scholarship](#) is eligible to apply to the Florida Department of Education (FDOE) to administer Florida statewide, standardized assessments to all students at the private school. The purpose of this memorandum is to announce that the application for private schools to administer Florida statewide assessments during the 2025–26 school year is now available and to ask for your assistance sharing the information about this opportunity with any private school that may contact the district. Private schools must apply to the Private Schools Opportunities program each year, so we ask that you please notify schools that are currently participating in this program of the need to re-apply for the 2025–26 school year. Completed applications must be notarized and submitted to FDOE no later than **March 1, 2025**. More details about this opportunity, including the application and a “Frequently Asked Questions for Districts” document, are provided at <http://www.fldoe.org/accountability/assessments/k-12-student-assessment/private-schools/>.

The Office of Independent Education and Parental Choice will inform private schools with eligible students of this opportunity. We ask that you provide information about testing policies, requirements and training to interested private schools, if asked. If a private school in your district is approved to administer Florida statewide assessments in 2025–26, your district will be notified by FDOE. The private school will be responsible for contacting your district assessment office to provide school assessment coordinator contact information and to obtain information about the required district training and any other details required by the district to include the private school in the state assessment program.

If you have any questions, please contact the Office of Assessment at Assessment@fldoe.org or (850) 245-0513.
