SCHEDULE OF REGIONAL ADMISSIONS WORKSHOPS
FALL 2003

The following schedule was developed to provide admissions information to middle & high school counselors early in the school year when the information would be most useful. The six geographic locations were chosen to make participation in the workshops as accessible as possible. If circumstances make attendance at the closest workshop inconvenient, another workshop site may be selected. Please send in the enclosed registration form at least two weeks prior to the workshop you wish to attend.
