TO: Exceptional Student Education Directors
District Contact Persons for Visually Impaired

FROM: Michele Polland

SUBJECT: National Association of State Directors of Special Education (NASDSE) Training Regarding Programs for Students who are Blind/Visually Impaired

The Florida Department of Education and the Florida School for the Deaf and the Blind will sponsor a statewide training for district administrators responsible for programs for students who are visually impaired November 4-5, 2004, in Daytona Beach, Florida. This training opportunity is **not** intended for teachers of the visually impaired or orientation and mobility instructors. The purpose of the training is to provide administrators with the means to improve educational services for students with visual impairment. Other suggested participants include staffing specialists, school psychologists, and program specialists who do not have a background in vision, but are currently responsible for programs for students with visual impairment.

Please hold this date. Information regarding hotel, registration, and agenda will be provided in September.
