MEMORANDUM

TO: Florida District Superintendents for Curriculum and Instruction

FROM: Ava Byrne and Olga C. Gary

DATE: August 10, 2004

SUBJECT: **2005 FLORIDA DEPARTMENT OF EDUCATION BURDINES-MACY'S TEACHER OF THE YEAR PROGRAM**

As the 2004-2005 school year commences, the Bureau of Educator Recruitment, Development & Retention is in the process of planning activities for the Florida Teacher of the Year program. Each year, the Florida Teacher of the Year is selected from among 73 teachers nominated by Florida's public school districts, university research schools and the Department of Corrections. The Florida Teacher of the Year serves as the Christa McAuliffe Ambassador for Education. In this capacity, he or she acts as a role model and goodwill ambassador, representing Florida's educators, attending conferences and addressing fellow teachers, principals, business and community leaders and students interested in pursuing teaching as a career. The Department of Education reimburses travel-related expenses incurred by the Florida Teacher of the Year.

Enclosed is a biography describing the accomplishments of Kerri Ann Walukiewicz, who was recently named the 2005 Florida Department of Education Burdines-Macy's Teacher of the Year. In an effort to promote the mission of the Florida Teacher of the Year program, we encourage you to invite Ms. Walukiewicz to visit your schools and district. The Florida Teacher of the Year may be asked to address students, educators, parents and business leaders, participate in panel discussions or conduct workshop sessions for teachers. In the event that you wish to schedule a speaking engagement with Ms. Walukiewicz, please do not hesitate to contact us at (850) 245-0435 or by e-mail at Olga.Gary@fldoe.org. Thank you for your interest in our program.
