SUBJECT: ON-LINE REGISTRATION FOR EMERGENCY IMMIGRANT EDUCATION PROGRAM (EIEP)

In the past, the Department of Education annually collected data on the number of recently arrived immigrants (students not born in any state or U.S. territory) and level of services provided during the school year. These data were collected by paper surveys.

We are pleased to announce that the data collection forms for the Emergency Immigrant Student Count (formerly, form ESE 261) and the Emergency Immigrant Education Program (formerly, form ESE 615) are available online this year. (The hard copy forms are no longer available.)

Please provide the names of personnel responsible for completing and submitting these on-line forms by June 30, 2002. The contact person's name, telephone number, and email address should be emailed to:

Pat Faircloth, Program Specialist
Office of Multicultural Student Language Education
fairclp@mail.doe.state.fl.us.

Assistance with on-line form submission is available by calling the Florida Department of Education's Office of Multicultural Student Language Education at (850) 487-8533.

This memorandum is available at http://www.firn.edu/doe/bin00005/dpsmemo02/ through the Department's Internet home page.
