MEMORANDUM

TO: District School Superintendents

FROM: Jim Warford

DATE: May 20, 2005

SUBJECT: *2005-2006 Consolidated Application for Selected NCLB Programs*

Recently, regional workshops were held by the Bureau of Student Assistance to provide training to school district representatives on the 2005-2006 On-Line Project Application Process for selected programs under No Child Left Behind. The on-line application is now available at: <http://data.fldoe.org/titelgrants/>.

We are pleased to provide you with the attached Request for Application (RFA) for Florida's 2005-2006 Consolidated Application for Selected NCLB Programs, which includes the grant overview, federal and fiscal requirements, and the application process. Regardless of the programs that are selected to be submitted under a consolidated application, each school district is required to describe measurable goals, objectives, and strategies, which identify how the funds will be used and how the project implementation will lead to increased student achievement.
