We are pleased to announce that the resource manual *Teaching Students with Fetal Alcohol Spectrum Disorders* is now available. This guide supports the mission of the Florida Department of Education to “increase the proficiency of all students within one seamless, efficient system” by improving the quality of instructional leadership and student rates of learning.

The manual can be accessed at <http://www.firn.edu/doe/commhome/pub-home.htm>. Additional copies of this publication may be obtained from the Clearinghouse Information Center, by telephone at (850) 245-0477.

If you have any questions regarding this information, please contact Dr. Lee Clark, Program Specialist, Florida Department of Education, at the information listed above.
