In the Department of Education's continued effort to improve student attendance and to improve student rates of learning, please find attached a copy of the report from the Department of Highway Safety and Motor Vehicles (DHSMV) for the second quarter of 2005-2006. This report now includes manual additions and deletions by department personnel. The names of students transmitted to the DHSMV will be mailed under separate cover to your district's Director of Student Services. Our staff reviewed and compiled the information into a state summary that reflects transactions processed for school districts from October 1, 2005, through December 31, 2005 (*Attachment 1*).

For the second quarter of the school year 2005-2006:

- 3,415 students received Notices of Intent to Suspend Driving Privileges,
- 3,385 Notices of Intent to Suspend Driving Privileges were deleted,
- 10,977 Non-Licensed drivers received notices that they were not eligible to apply and receive driver licenses,
- 7,028 Non-Licensed/Non-Compliance Orders were deleted,
- 3,377 Suspension Orders were issued,
- 2,450 Suspension Orders were cleared or deleted, and
- 195 students who reinstated their driving privilege received second suspension.

The Technical Assistance Paper on Implementation of Attendance Requirements for Minors to Maintain Their Driving Privilege directs school districts to transmit student data to DHSMV at least once a week. Implementation of these requirements can improve district dropout and attendance rates. Data revealed that less than 8% of students who had their driver licenses suspended for excessive absences received a second suspension. Therefore, 92% of students who received a first suspension were never issued a second suspension for non-compliance with school attendance requirements.

If you have questions regarding your data, please contact Donald Klein, DHSMV, at (850) 488-3288. If you have questions concerning policies and procedures relating to the implementation of the driver license/school attendance program requirements, please refer to the Technical Assistance Paper on Implementation of Attendance Requirements for Minors to Maintain Their Driving Privilege, located at <http://info.fldoe.org/docushare/dsweb/Get/Document-1776/DPStap.pdf>, or contact Rich Downs via email at [rdowns@tempest.coedu.usf.edu](mailto:rdowns@tempest.coedu.usf.edu) or by telephone at (850) 922-3732 or SunCom 292-3732.
