I am pleased to announce the release of the 2006-2007 Request for Proposal for competitive projects for Florida Learn & Serve One-Year Pilot Projects, authorized under Title I, Subtitle B, of the National Community Service Act of 1990. Florida Learn & Serve provides the leadership, financial support, technical assistance, networking opportunities, and products to create multiple opportunities to engage all Florida K-12 students in quality curricula-based service learning. Learn & Serve is a federally-funded grant program that awards grants to schools and school districts to engage youth in service learning.

The proposal application can be found at <http://www.fsu.edu/~flserve/>. Proposals must be received at the Florida Department of Education by June 2, 2006.

The funds will be awarded through a competitive grant process based on the implementation of research-based academic improvement practices, through collaborative efforts, and meeting the grant criteria.

If you have further questions, please do not hesitate to contact Joe Follman at jfollman@admin.fsu.edu or at 850-488-9661.
