**DATE:** May 25, 2006

**SUBJECT:** **ONLINE 2004-2005 SAFE SCHOOLS APPROPRIATIONS EXPENDITURES SURVEY OF ACTIVITIES – DUE JUNE 9, 2006**

Each year, the Department of Education collects, via a web-based survey, fiscal information and a summary of activities supported by the state Safe Schools Appropriation from the districts. The results will be summarized in the 2004-2005 Safe Schools Appropriation Expenditures Report. Documentation of proven program and activities, which support a safe learning environment, assists all our collective efforts to increase student achievement. Therefore, it is imperative each district ensures the accuracy of the data. Please note this report should not reflect activities funded by the federal Safe and Drug-Free Schools (SDFS) Program, and districts are asked to have the SDFS Coordinator review the report to ensure no federally supported prevention activities are reported.

In order to access the survey at the Department of Education Web site, your district representative should contact Mr. Michael T. Turner, at Michael.Turner@fldoe.org or (850) 245-9977, to obtain the password for your district and additional instructions.

The deadline to complete the survey is June 9, 2006. After that date, no one will be able to enter data and submit the report online.

The Safe Schools Appropriation Expenditure Verification Form, to be signed by the superintendent, may be printed online when the survey is completed. Please return by June 9, 2006, only the signed form to:
