MEMORANDUM

TO: Community College Presidents

FROM: J. David Armstrong, Jr.

SUBJECT: 2006-07 FTE-1 Estimates
DUE: 5:00 p.m. EST, November 1, 2006

To assist the Florida Department of Education to reach its goal of *Quality Efficient Services*, it is important for the Community College System to provide accurate Full Time Enrollment (FTE) estimates to the Department. An Enrollment Estimating Conference is scheduled for November 9, 2006, to review the most recent 2006-07 FTE Estimates for the community colleges. The 2006-07 FTE-1 Estimates have been generated from the Student Data Base Summer End-of-Term and Fall Beginning-of-Term data. Each college needs to review the FTE-1 Estimates and make adjustments as needed. The FTE-1 Estimates include lower division FTE only. As directed by the Enrollment Estimating Conference, the non-credit FTE estimates, by program area, are the FTE for the prior year. The credit FTE estimates are generated the same as in the past.

Community College and Technical Center Management Information Systems (CCTCMIS) staff has created, in Excel, a form for the colleges to report adjustments. Instructions to access the Adjustments Form will be emailed to the Reports Coordinator at each college. Instructions for completing and submitting the Adjustments Form are attached.

Do not include FTE enrollment adjustments indicated in 1 above.
