## MEMORANDUM

**TO:** Career and Technical Education Directors  
Student Services Directors  
High School Guidance Directors

**FROM:** J. David Armstrong, Jr.

**SUBJECT:** 2007 Congress-Bundestag Vocational Exchange Scholarship

---

Florida is once again participating in the Congress-Bundestag Vocational Exchange Scholarship Program. This program supports the Department of Education's Strategic Imperative to improve student learning by providing world-class higher education opportunities. This scholarship/exchange program is administered by the Nacel Open Door Student Exchange and provides an opportunity for graduating high school seniors, who are enrolled in vocational courses, to spend one year in Germany exploring their vocational interests. German language is not required. Florida has participated in the program since 1992 and has been very well represented each year.

Each high school in the state of Florida may nominate up to three students. Students must be able to demonstrate the maturity and commitment necessary to be successful in an international exchange program. Student applications will be reviewed by Nacel Open Door Student Exchange and the Division of Community Colleges and Workforce Education to select ten finalists. These finalists will be invited to an interview by a selection committee.

**J. DAVID ARMSTRONG, JR.**
