"All American Success Story"

Guidelines

Each district and community college can help with this important project by submitting success stories of two former students that meet the following criteria:

- **Must have been a program participant in adult and/or technical education in Florida;**
- **Must have achieved success in their career field (work history) (Adult Education former students may be in a postsecondary training program and/or have advanced in the career world); and**
- **May have achieved in spite of great challenges.**

It should be a story that would help to promote Workforce Education. (A variety of occupations and literacy stories are needed).

Please submit a nomination form for two former adult education students and two former technical education students from each district and community college as appropriate. Stories may also include students who have been in Apprenticeship, Career and Technical Student Organizations (CTSOs), Community-Based programs, and Migrant Education. The completed student success story should include **a quality, color photo of the applicant with at least 300dpi, in a 4x6 or 5x7 format. Please do not staple the photo.**

Nomination forms should be returned to your Workforce Education Regional Program Director. They are:
