SUBJECT: October 2007-08 Transportation Survey

This document is intended to assist school districts in providing safe and efficient transportation services to Florida's student population. Through this and other types of assistance, the Office of Funding and Financial Reporting supports the mission of Florida's K-20 education system to increase the proficiency of all students within one seamless, efficient system.

The October 2007-08 student transportation survey was conducted the week of October 8-12, 2007. The Automated Student Information System (student transportation format) will be used by all districts to transmit their October student transportation information.

Please refer to the 2007-08 Student Transportation General Instructions online at http://www.fldoe.org/fefp/trans.asp for information regarding student eligibility, reporting criteria, instructions for the Automated Student Information System, and reporting deadlines. A list of the reporting deadlines is attached for your convenience. The deadline for initial full submission of October survey data is Friday, October 26, 2007. Any corrections or revisions to this data must be addressed prior to Friday, November 9, 2007, the system cutoff date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the District School Superintendent or designee and submitted no later than Thursday, November 15, 2007. The October student transportation information provided in this letter must match that reported in the database as of the system cutoff date. Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter. The information in this letter will be compared with the Department's report to ensure that accurate information is used in the transportation funding formula.

Please call Brent Jones (Office of Funding and Financial Reporting) at (850) 245-0405, Herman Carter (School Transportation) at (850) 245-9795, or Nada Scott (Education Information and Accountability Services) at (850) 245-0400 if assistance is needed.
