## SCHOOL BUS BID #2008-04 ORDERING INSTRUCTIONS

### 1. PURCHASE ORDER (P.O.) DEADLINES

For units ordered by June 25, 2008, the required delivery date will be 240 days from the date the bidder and/or bidder's representative(s) receives the district's purchase order after processing by the Florida Department of Education (FDOE).

For example, if the FDOE School Transportation Management Section (STMS) forwards a district purchase order to a bidder on January 24, 2008, the required delivery date will be September 20, 2008. The required delivery date will be clearly specified on the FDOE cover sheet transmitted to the bidder with the district purchase order.

The purchasing school district may request that the unit(s) ordered not be delivered prior to a specified date. This request must be clearly indicated on the purchase order and a note to this effect will also be included on the FDOE's cover sheet.

<b>Purchase order received by STMS:</b>	Date of award through June 25, 2008
<b>Complete bus delivered or ready for pickup (guaranteed by performance bond):</b>	Within 240 days

P.O.s may be submitted by facsimile transmission to (850) 245-9935, but originals should be sent within one week of fax transmission. Please call (850) 245-9795 to confirm proper receipt of any fax transmissions.

### 2. PAYMENT INSTRUCTIONS AND INFORMATION

**Payment for Type A, C, and D complete buses** will be due upon delivery and acceptance by the purchaser, or within forty-five (45) calendar days after receipt of invoice, or within forty-five (45) calendar days of receipt of Manufacturer's Certificate of Origin (MCO), whichever is later. **Purchaser has no more than ten business days to accept or reject the bus.** Rejection of any unit must be immediately confirmed through the FDOE.

**Under the provisions of Section 215.422, Florida Statutes, vendors may charge interest penalties if payment for the bus is not received according to the above requirements.**

### 3. PURCHASE ORDER INFORMATION

- a. **All purchase orders must be sent to:**

**School Transportation Management Section  
Florida Department of Education  
325 West Gaines Street, #1134  
Tallahassee, Florida 32399-0400  
Attention: Mr. Bill Schroyer**

**NOTE:** If your purchase orders are inadvertently sent directly to the vendor, **it will delay the final processing of your order and the manufacture and the required delivery date of your buses.** All dealers that were awarded bids have been instructed to return

any unprocessed P.O.s to the Department of Education, School Transportation Management Section (STMS), for processing.

- b. Once your purchase orders are received by the STMS, they will be processed and forwarded electronically to the vendor as quickly as possible. A confirmation of receipt of your purchase orders will be e-mailed to the Transportation Director and Service Manager. A hard copy will be mailed to your school district finance manager. **If you do not receive a receipt for your order** within two weeks, please contact the STMS at (850) 245-9795. **This confirmation is important because it is your only assurance that your order has been transmitted to the vendor.**

- c. **BUS ORDERING CHECKLIST:**

**For Types A, C, and D complete bus P.O.s, the following information must be included:**

- (1) The bidder's name and address, including the contact person.
- (2) The quantity of buses ordered, pupil capacity, body model number, type engine, unit price, total price, and other major options (lift and/or air conditioning, or straight floor as applicable).
- (3) The air conditioner system code, if applicable.
- (4) For wheelchair lift buses, the lift manufacturer and **location of the wheelchair lift, either in front of or behind rear wheels.**
- (5) Specified options using option numbers as shown in this pricing and ordering information.
- (6) Local school district bus numbers to be put on buses by the bidder. **For tracking purposes, all purchase orders processed must include local school district bus number(s). P.O.s will be delayed if required local bus number(s) are not supplied.**
- (7) Indication as to whether buses are to be delivered (include price from appropriate manufacturer's delivery schedule attached) or picked up by the district at the manufacturing plant.

- d. **Please review all options available for this year.** The list varies by manufacturer and configuration, so review what is available for the type and capacity of bus ordered.

- f. Private schools meeting the requirements of Section 1002.42(15), Florida Statutes, are authorized to purchase buses from this bid.

- g. **Purchase orders must be in the STMS office no later than June 25, 2008.**

- h. Thomas Built Buses, Inc., utilizes a fuel tank mounted between the frame rails on all conventional (Type C) school bus configurations. This location requires a **left side body fuel fill** on most conventional **REAR LIFT** bus configurations.

**4. UNITS WITH AIR CONDITIONER SYSTEMS**

Districts purchasing units with air conditioners may choose the manufacturer, model, and system configuration. Please review the air conditioner specifications from Florida School Bus Specifications, Revised 2006, Section V, for details. Pricing information for buses with System A and System B air conditioner units has been provided for all applicable configurations. If you are purchasing a unit with an air conditioner, please make sure your purchase order clearly indicates the price and the Air Conditioner (A/C) Code. The code can be located in the first column of the A/C information. As an example, in the A/C configuration below, the A/C code is BB1 and the price is \$3,650.

A/C CODE	Body Type	A/C MAKE	A/C MODEL	COM-PRESSOR	IMACA #250 (CITY) BTU OUTPUT	TOTAL CURRENT DRAW (AMPS)	NUMBER OF:		PRICE:
							EVAPORATORS	CONDENSERS	
BB1	Type A1	ACC Climate Control	FR53R	Seltec TM21, 13.1	53K BTU	54	1	2	\$3,650

**5. STRAIGHT FLOOR UNITS**

The straight floor is now offered as an option available on the appropriate pricing page. Please note that options such as air ride rear suspension and low-profile tires may be standard with the straight floor option. Bidders' notes to this effect are located in the option pricing pages.

**6. GENERAL INFORMATION**

- a. Each district ordering Type C or Type D buses will receive one service manual, CD, or on-line access authorization per shop location from the manufacturer covering the chassis model(s) purchased.
- b. The vendor is required to deliver one parts manual, CD, or on-line access authorization per shop location to each district purchasing one or more buses.
- c. Type A, C, and D final stage manufacturers shall agree to accept electronic notification of school district in-service dates provided by the DOE in lieu of forms or update forms. Such notification shall serve to update actual warranty start dates for all chassis, chassis components, and body and body component warranties.
- d. Names, addresses, and phone numbers of dealers or manufacturers awarded bids are provided on page 7. **These persons may be contacted regarding equipment, production, delivery, or other information pertaining to your bus purchases.**
- e. **The purchase of a DEALER-OFFERED OPTION** not specified herein is not permitted as part of this contract.

- f. Thomas Built Buses, Inc., has designated two separate dealers that will accept orders and complete delivery of buses purchased from this contract within their defined areas of responsibility. These areas of responsibility are defined below.

**Florida Bus Unlimited** is designated as the dealer representative for the following districts: Alachua, Baker, Bay, Bradford, Brevard, Calhoun, Citrus, Clay, Columbia, Dixie, Duval, Escambia, Flagler, Franklin, Gadsden, Gilchrist, Gulf, Hamilton, Hernando, Hillsborough, Holmes, Jackson, Jefferson, Lafayette, Lake, Leon, Levy, Liberty, Madison, Manatee, Marion, Nassau, Okaloosa, Orange, Osceola, Pasco, Pinellas, Polk, Putnam, Santa Rosa, Sarasota, Seminole, St. Johns, Sumter, Suwannee, Taylor, Union, Volusia, Wakulla, Walton, and Washington.

**Atlantic Truck Center** is designated as the dealer representative for the following districts: Broward, Charlotte, Collier, Dade, DeSoto, Glades, Hardee, Hendry, Highlands, Indian River, Lee, Martin, Monroe, Okeechobee, Palm Beach, and St. Lucie.

Please see page 8 for a map that designates these areas of responsibility. Thomas Built Buses, Inc., will notify each Florida school district, as well as eligible local and state agencies, as to which dealer is responsible for providing services under this contract.

All purchase orders issued by Florida school districts and any other eligible local or state agency must be made out to the identified dealer for their area. The purchaser must then submit its purchase order(s) for processing as specified in Section 3 above.

**7. BUS SEATING CAPACITIES**

- a. All capacities listed in this guide are based on the maximum capacity of that shell size using 13 inches of rump width per seating position, per National School Transportation Specifications and Procedures, Revised 2005 (NSTSP), and Florida School Bus Specifications, Revised 2006. Purchasers should call manufacturers to determine actual capacities for the specific configuration they are ordering. Please also see Appendix A for a general guide for wheelchair lift buses.
- b. The addition of C.E. White or IMMI Integrated child seats may reduce capacity. Please contact the dealer for specific seating capacity before placing your order.

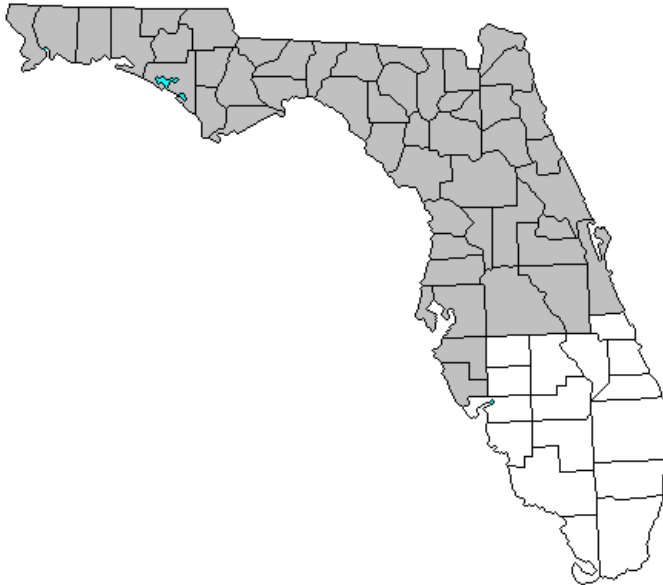

**8. PRICING PAGES TERMS**

<b>The following definitions and terms are used throughout the Pricing Pages.</b>	
<b>Price</b>	<b>Base unit or option price</b>
<b>STD</b>	<b>Standard equipment</b>
<b>N/A</b>	<b>Not available or not applicable</b>
<b>N/C</b>	<b>No-charge item; item must be listed separately on the purchase order if the purchaser wishes to receive the item on the bus.</b>

# PRICES FOR TYPE D - FRONT ENGINE SCHOOL BUSES AND OPTIONAL EQUIPMENT

Note: Picture is to illustrate general configuration of Type D buses, but may not represent actual available model(s) or Florida school bus specifications.

## NOTES:

- 1) For wheelchair lift buses you must specify desired lift make and location - front or rear.
- 2) See Appendix A for Delivery Pricing By Bus Bidder/Manufacturer and Bus Type.
- 3) See Appendix B for Wheelchair Lift Bus Seating Capacity Information and Optional 3-Point Lap/Shoulder Belts (Pricing and Available Seating).
- 4) See Appendix C for Standard and Optional Wheelchair Lift Information and Standard and Optional Wheelchair Tiedown/Occupant Restraint System (WTORS) Information.
- 5) See Appendix D for Optional Air Conditioner Information by Bus Bidder/Manufacturer.
- 6) See Appendix E for Optional Engine Information by Bus Bidder/Manufacturer.
- 7) See Appendix F for Optional Tire Information.
- 8) See Appendix G for Optional Baggage Compartment Information.
- 9) See Appendix H for Additional Option Information By Bus Bidder/Manufacturer.
- 10) See Appendix I for Video and GPS Option Prices By Bus Bidder/Manufacturer.
- 11) See Appendix J for Bidders' Notes (by Option Number): FTS (Blue Bird), Rivers (IC), Thomas.
- 12) Please contact the bidder to determine if bus capacity is affected due to the installation of the
  - (a) C.E. White or IMMI Integrated Seat.
  - (b) Baggage compartment.
  - (c) 100 Gallon Fuel Tank.

# PRICES FOR TYPE D - REAR ENGINE SCHOOL BUSES AND OPTIONAL EQUIPMENT

Note: Picture is to illustrate general configuration of Type D buses, but may not represent actual available model(s) or Florida school bus specifications.

## NOTES:

- 1) For wheelchair lift buses you must specify desired lift make and location - front or rear.
- 2) See Appendix A for Delivery Pricing By Bus Bidder/Manufacturer and Bus Type.
- 3) See Appendix B for Wheelchair Lift Bus Seating Capacity Information and Optional 3-Point Lap/Shoulder Belts (Pricing and Available Seating).
- 4) See Appendix C for Standard and Optional Wheelchair Lift Information and Standard and Optional Wheelchair Tiedown/Occupant Restraint System (WTORS) Information.
- 5) See Appendix D for Optional Air Conditioner Information by Bus Bidder/Manufacturer.
- 6) See Appendix E for Optional Engine Information by Bus Bidder/Manufacturer.
- 7) See Appendix F for Optional Tire Information.
- 8) See Appendix G for Optional Baggage Compartment Information.
- 9) See Appendix H for Additional Option Information By Bus Bidder/Manufacturer.
- 10) See Appendix I for Video and GPS Option Prices By Bus Bidder/Manufacturer.
- 11) See Appendix J for Bidders' Notes (by Option Number): FTS (Blue Bird), Rivers (IC), Thomas.
- 12) Please contact the bidder to determine if bus capacity is affected due to the installation of the
  - (a) C.E. White or IMMI Integrated Seat.
  - (b) Baggage compartment.
  - (c) 100 Gallon Fuel Tank.
