

Music Demonstration Schools Project
A Collaboration of the
Florida Department of Education and the Florida Music Educators' Association

Music Demonstration School Designees*
1988-2008

* Repeat designees as Music Demonstration Schools are noted in parentheses following their names; Honorable Mention designations are not included in the repeat counts. The three-year period during which a school is designated as a Music Demonstration School begins in the fall of the school year immediately following selection.
