MEMORANDUM

TO: Superintendents of Selected School Districts

FROM: Dr. Frances Haithcock

DATE: April 30, 2008

SUBJECT: **Florida Public School District Continued Funding Opportunity for the *Tobacco Prevention and Intervention Teacher Training Project – Year II***

The Office of Healthy Schools announces a Request for Application to provide continued funding to identified Florida public school districts for the *Tobacco Prevention and Intervention Teacher Training Project*. This grant enables districts to continue to provide a second year of quality training for teachers to implement effective tobacco prevention and intervention programs in their classrooms and schools. Districts will have the opportunity to continue current grant programs, enhance tobacco prevention and intervention efforts, or include new tobacco prevention or intervention teacher training as dictated by local needs.

The project award is up to $30,000 per district. **All applications are due by May 21, 2008.** The attached Request for Application (RFA) outlines the application process. This is a non-competitive grant; however, an internal review of each application will be conducted. If you have questions or require assistance in completing this application, you may contact Lynn Vinson, Physical Activity, Nutrition, and Tobacco (PANT) Coordinator, or Dr. Antionette Meeks, Assistant Director/Health Coordinator, Office of Healthy Schools, at lynn.vinson@fldoe.org, antionette.meeks@fldoe.org, or via telephone at (850) 245-0480.
