Due to the urgent nature of the American Recovery and Reinvestment Act (ARRA), the Florida Department of Education (FLDOE) released the following mini-project applications in the month of April: Title I Part, A, Improving the Academic Achievement of the Disadvantaged; Title I, Part D, Subpart II, Local Programs for Neglected and Delinquent; and Individuals with Disabilities Education Act (IDEA).

Since these ARRA applications took priority, the stand alone project applications have been delayed. In an effort to release the Request for Application(s) [RFA(s)] as soon as possible for the 2009-2010 fiscal year, the FLDOE is releasing each RFA as it is approved.
