## MEMORANDUM

TO: District Superintendents  
District Guidance Supervisors  
Middle and High School Principals  
Middle and High School Guidance Supervisors  
Middle and High School Guidance Counselors  
Exceptional Student Education Counselors

FROM: John A. Delaney, President in Residence  
State University System of Florida

SUBJECT: Save the Date - SUS Regional Admissions Workshops

The Board of Governors Office and the State University System (SUS) Admission Directors are pleased to announce that the annual SUS Admissions Tour will continue this year. We recognize that travel may be limited due to budget constraints; however, the Admissions Directors are committed to this endeavor because of the value that it provides to the guidance counselors and the students they serve. Therefore, the tour will resume this year and convene as follows:

FSU Panama City	Sept. 2 <sup>nd</sup>	FIU	Sept. 8 <sup>th</sup>
UNF	Sept. 3 <sup>rd</sup>	FAU	Sept. 9 <sup>th</sup>
UCF	Sept. 4 <sup>th</sup>	NCF	Sept. 10 <sup>th</sup>
		USF	Sept. 11 <sup>th</sup>

As in previous years, presentations will be made from each of the 11 SUS admission directors and representatives from the Department of Education. Because of budget limitations, some of the presentations may be conducted in an alternate format using electronic media. We strongly encourage you to participate in these workshops and join us in our efforts to provide accurate and timely information needed to advise high school students on postsecondary options available to them. At each workshop,

guidance counselors will have an opportunity to interact with the presenters and ask specific questions and gather information about admissions and other related postsecondary topics.

Registration information and an agenda for each session will be available by August 1<sup>st</sup> at <http://www.flbog.org/admissionstour>. If you have any questions or need additional information regarding the tour, please e-mail [admissionstour@flbog.org](mailto:admissionstour@flbog.org). Thank you.
