

Florida Department of Education
Division of Career and Adult Education
2011 Spring Integration Institute Application Form
Orlando/Tampa Location
(to be determined based on the location of the majority of the applicants)

The Spring Professional Development Integration Institute has been scheduled for May 11-12, 2011. The event is a CTE/Academic alignment workshop available to teams of CTE and core teachers from schools that offer the CTE programs listed below. The intent is to better prepare CTE students to take the applicable end-of-course academic exams and to enable teachers to develop integrated lessons.

Space is limited to the first 150 registered participants. Attendees will receive reimbursement of their hotel expenses, travel, and meals at the state rate, and districts will be reimbursed the cost of necessary substitute teachers.

CTE Program	Integrated Academic Course
