MEMORANDUM

TO: District School Superintendents

FROM: Dr. Michael Grego

DATE: August 25, 2011

SUBJECT: **Title II-A, Teacher and Principal Training and Recruiting Fund, 2010-11 Annual Report**

Please find attached the report form to be used for the collection of data on implementing Title II-A programs in the 2010-11 school year. Your input and data describe information central to our understanding of how Title II-A funds were expended under P.L. 107.110 of the Elementary and Secondary Education Act for your agency and the state, so it is important that your staff work together in compiling the report accurately. Aggregated data from all local educational agencies will be reported to the Commissioner of Education, then published for use in continued decision making locally and statewide.

The 2010-11 annual report data are to be completed on the enclosed form, which can also be found at http://www.fldoe.org/profdev/titleii.asp as a Word document. Please keep in mind that the private school participation in professional development activities should be included in this report.

Please submit the final report in Word electronically no later than **September 30, 2011,** to Peggy Primicerio at Peggy.Primicerio@fldoe.org. If you have questions concerning the completion of the enclosed report, please contact Ms. Primicerio via the above email address or at (850) 245-0734. Thank you for your time and attention to this valuable and informative report.
