## **MEMORANDUM**

**TO:** District School Superintendents

**FROM:** Dr. Michael Grego

**DATE:** October 7, 2011

**SUBJECT: K-12 BIBLIOGRAPHIC DATABASE**

The K-12 public school bibliographic database is now accessible at <http://k12.floridalibraries.org> through the College Center for Library Automation's online discovery tool. In accordance with Section 47, ch. 2011-63, these resources have been made available so that school district students, staff and parents will be able to see all the library materials held in their local district schools as well as the school library holdings throughout the state. The site also allows patrons to see whether a book is at a public library and gives citations for students in American Psychological Association (APA), Modern Language Association (MLA) and Chicago formats for most materials.

Please address any questions regarding the K-12 bibliographic database to Katrina Figgett in the Bureau of Curriculum and Instruction at [Katrina.Figgett@fldoe.org](mailto:Katrina.Figgett@fldoe.org).
