MEMORANDUM

TO: District Instructional Materials Administrators

FROM: Charlie Carraway, Instructional Materials Office

DATE: October 28, 2002

SUBJECT: Approved Bid Lists for Agriscience and Natural Resources and Safety and Driver Education

Please find enclosed the 2002 bid lists for Agriscience and Natural Resources and Safety and Driver Education. The Commissioner of Education approved these for state adoption on October 18, 2002. Of the thirty-seven Agriscience and Natural Resources programs that were evaluated, twenty-eight were adopted. Please also note that some of the programs have been moved to different categories from what they were submitted. All three of the Safety and Driver Education submissions were adopted.

Also enclosed is a matrix for each subject, comparing the prices and committee ratings of the programs. The rating scale used was "Thoroughly," "Highly," "Adequately," "Minimally," and "Not at All."

If you have any questions concerning these adoptions, please do not hesitate to contact us at 850.487.8791.
