Please find attached the Department's 2012 Paperwork Reduction Report as required by section 1008.31, Florida Statutes. We appreciate the participation of school district staff earlier this year as we gathered facts and perceptions about the development, implementation, monitoring, and evaluation mechanisms of key district-level plans and reports. There have been some improvements in 2011-12 and more are on the horizon, particularly with regard to federal reporting as a result of Florida being granted an ESEA Flexibility Waiver. Thank you for your continued focus on student achievement as we work together to streamline paperwork, data collection, and reports.

PLS/he

PAM STEWART
CHANCELLOR OF PUBLIC SCHOOLS
