The Florida Department of Health requested that our office forward the attached information regarding Compulsory School Immunizations Annual Report and Survey for the 2012-2013 School Year. Section 1003.22(8), Florida Statutes (F.S.), and Rule 64D-3.046(3), Florida Administrative Code, require the Department of Health (DOH) to collect annual reports from all public and private schools to certify compliance with the compulsory school immunization law. In accordance with s. 1003.22(4), F.S., students who participate in any public or private school campus-based activities are required to have age-appropriate vaccines with the proper documentation.

We are providing the Florida Department of Health Memorandum with attachments regarding Compulsory School Immunizations Annual Report and Survey for the 2012-2013 School Year. If you have questions or need additional information, please contact Ms. Amy Wilson at (850) 245-4444, extension 2395.
