The Florida Department of Health has requested that our office forward to all school districts the enclosed information regarding the Kindergarten and Seventh-Grade Immunization Validation Assessment for the 2012–2013 school year. Section 1003.22(8), Florida Statutes, requires each district school board and the governing authority of each private school to refuse admittance or temporarily exclude from attendance any student who is not in compliance with the immunization requirements for school attendance.

If you have any questions, please contact Amy Wilson, Florida Department of Health, Bureau of Immunization, at 850-245-4342, extension 2395. Please note the following acronyms: MMR (measles, mumps, rubella), Td (tetanus, diphtheria), and Tdap (tetanus, diphtheria, acellular pertussis).
