The Florida Department of Education Division of Technology Information Services is requesting each district to nominate two people (one technology-based nominee and one curriculum-based nominee) to serve on a committee of school and district technology and curriculum experts who will provide input to the department on all aspects of digital learning.

The two people nominated will serve for the 2013-14 school year and will be asked to participate in monthly conference calls/webinars, respond to department questions and review proposed documentation via email.

Attached you will find the nomination form that should be completed and returned via email to [DigitalLearning@fldoe.org](mailto:DigitalLearning@fldoe.org) by November 18, 2013.
