SUBJECT: Notification of Maintenance for Portal to Exceptional Education Resources (PEER) and Medicaid Tracking System (MTS)

The PEER and MTS systems will be down for maintenance between 8:00 a.m. EST on Friday, April 25, 2014, and 9:00 p.m. EST on Sunday, April 27, 2014. This system maintenance is required to perform important infrastructure upgrades. Access to these resources will not be available during this period. These upgrades will not change how the systems are accessed and used once back online.

These two statewide resources are part of Sunshine Connections. The Florida Department of Education (FDOE) is working to upgrade PEER and MTS by placing them in a new hardware environment that will eventually allow access to these resources as part of the FDOE's Single Sign-On (SSO) system. More information about the state's SSO system is available online here: <http://www.fldoe.org/sso>.

If you have any questions or concerns regarding this system maintenance, please contact PEERSupport@fldoe.org.
