Thank you for sharing your concerns related to the proposed rule regarding the standard charter school contract. As I indicated during our meeting, the State Board of Education will consider the standard contract at its November meeting.

While we received a great deal of feedback at the six rule development workshops that we hosted around the state this summer, we continue to welcome suggestions. Please send your comments and suggestions to me. The full text of the proposed rule (Rule 6A-6.0786) can be found at <https://app1.fldoe.org/rules/default.aspx> while the draft standard contract can be found at https://app1.fldoe.org/rules/doc/6A-6.0786_352.pdf.

Please note, districts and charter schools may agree during contract negotiations to amend the standard contract in any way that meets their needs. If you have questions or concerns, please contact Adam Miller, Executive Director of the Office of K-12 School Choice, or myself at the above contact information.
