MEMORANDUM

TO: School District Superintendents

FROM: Pam Stewart

DATE: March 13, 2015

SUBJECT: School Library Month 2015

I am pleased to announce Florida's observance of School Library Month in April 2015. Each year, our school districts and Florida citizens take time to recognize the programs, services and resources provided by school libraries. This celebratory month provides opportunities across the state to highlight school library contributions to Florida public education.

Research studies conducted in 19 states, including Florida, have found that school library programs make a measurable difference in student academic achievement. School library programs prepare students for lifelong learning and enhance their reading enjoyment. Additionally, School Library Month coincides with National Library Week, which highlights the resources and contributions of all types of libraries.

Please support the activities planned by your district to make School Library Month in Florida a success. A copy of the Governor's proclamation is attached.

If you have additional questions, please contact Katrina Figgett in the Bureau of Standards and Instructional Support at 850-245-0758 or by email at Katrina.Figgett@fldoe.org.
