MEMORANDUM

To: District School Superintendents  
From: Mary Laura Openshaw  
Date: January 2, 2002  
Subject: STUDENT SERVICES WEEK - FEBRUARY 3-9, 2002

Enclosed is a copy of the Resolution establishing February 3-9, 2002, as Student Services Week in Florida. This resolution provides an opportunity for school personnel to focus attention on the support services that are provided to students, parents, educators, and the community by school counselors, school nurses, school psychologists, school social workers, and career education staff. I encourage your support for the development of activities within your school system and community to inform citizens about the many ways that student services personnel contribute to the educational success and personal development of all students.

If you have any questions or need additional information regarding Student Services Week activities or programs, please contact Mary Jo Butler or Helen Connell.

This memorandum is available at <http://www.firn.edu/doe/bin00005/dpsmemo02/index.htm>. The enclosed Resolution is available online at <http://sss.usf.edu> on the Student Support Services Project homepage.
