MEMORANDUM

TO: Community College Presidents
District School Superintendents
Occupational Deans
Vocational Directors
Adult Education Directors
Area Vocational-Technical Center Directors

FROM: Lanny Larson

DATE: December 13, 2002

SUBJECT: NATEF Certification

The 2002 Florida Legislature enacted legislation requiring that all Automotive Service Technology programs be industry certified by 2007. The certification process can take months. The first step is to procure the certification process information.

Information concerning the National Automotive Technicians Education Foundation (NATEF) certification process can be found on-line at: <http://www.natef.org> look under Program Standards.

I will be happy to provide assistance. I can be contacted at (850) 414-8574 or andy.anderman@fldoe.org.
