MEMORANDUM

TO: School District Superintendents
    Charter School Principals

FROM: Jacob Oliva, Chancellor, Division of Public Schools
      Damien Kelly, Director, Office of Safe Schools

DATE: September 27, 2019

SUBJECT: School District and Charter School Requirements for Active Assailant Plans

Senate Bill 7030, passed by the 2019 Florida Legislature, addresses the implementation of legislative recommendations of the Marjory Stoneman Douglas High School Public Safety Commission. Governor Ron DeSantis signed the bill on May 8, 2019. The legislation requires that every district school board and charter school governing board adopt an active assailant response plan (sections 1006.07(6)(c) and 1002.33(16)(b)12., Florida Statutes (F.S.)). By October 1, 2019, and annually thereafter, each district school superintendent and charter school principal shall certify that all school personnel have received annual training on the procedures contained in the active assailant response plan (section 1006.07(6)(c), F.S.).

Please complete and sign the form below and send it via email to SafeSchools@fldoe.org by October 1, 2019 in order to meet the certification requirement.

This form certifies that ___________________________ has adopted an active assailant response plan and has trained all school personnel on their roles and responsibilities as well as the procedures included in the district/school active assailant response plan.

School Districts:     Charter Schools:

_________________________                                     ___________________________
Signature of Superintendent or Designee                          Signature of Charter School Principal
