Section 1002.45, Florida Statutes, establishes Virtual Instruction Programs (VIP) and requires all school districts to provide a VIP to eligible students. To provide this option for their students, districts may:

- Contract with Florida Virtual School;
- Establish a franchise of Florida Virtual School;
- Contract with an approved VIP provider; or
- Enter into an agreement with another district or virtual charter school.

Subsection (2) of the statute requires the department to annually provide school districts with a list of approved VIP providers. Providers seeking approval must submit an electronic application to the department. The application review for VIP providers seeking approval for the 2020-21 school year has been completed and the department has approved the following providers:

- Edmentum (Grades 6-12)
- Mater Virtual Academy (Grades 6-12)
