MEMORANDUM

TO: School District Superintendents
FROM: Jacob Oliva
DATE: August 6, 2021
SUBJECT: 2021-2022 School Year Information

We are excited to share new information, updates and resources to begin the 2021-2022 school year. As teachers and students across the state return to their classrooms, we want to ensure that you are aware of what to expect this year. This information will prepare you to communicate these updates to staff, students, families and citizens in your district.

This memorandum contains information and updates related to:
- District and School Leader Supports
- Teacher Supports
- Student and Parent Supports
- Assessments
- Important Dates and Events

Thank you for all you do for the students in Florida as we continue collaboration for student success.
