Memorandum

To: Recipients of FY 2002-2003 Carl D. Perkins Federal Vocational Education Funds

From: Lanny Larson, Vice Chancellor of Workforce Education

Date: February 20, 2003

Subject: 2001-2002 Basic Grant Roll Forward Funds

By law it is required that roll forward funds from FY 2001-2002 be allocated to enhance funds received during the FY 2002-2003 using the same formulas approved by the U.S. Department of Education for Tech Prep, Secondary and Postsecondary programs.

On the attached sheets you will find the allocation of funds for school districts, vocational centers and community colleges for Tech Prep, Secondary and Postsecondary programs. This increase represents the number of additional dollars your agency may acquire through the proposal amendment process. The funding period for roll forward dollars will be from the date we receive your amendment, in acceptable form, through June 30, 2003.

To acquire the additional dollars reflected in the attachments, you must submit a DOE Form 411 (Budget Amendment Form). These dollars are to be treated as basic grant dollars and are used to enhance a current project as well as support new initiatives provided they are reflected in your approved plan.

Please forward your completed amendment request to: Florida Department of Education, Bureau of Grants Management, 325 West Gaines Street, Room 325, Tallahassee, Florida 32399-0400.

If you have questions or need assistance, please contact Dr. Ike Gibson at (850) 488-0415.
