The purpose of this memorandum is to announce the Department's 2007-2008 SUCCEED, Florida funding list for the fiscal year.

The 2007 Legislative Session authorized funds to be awarded on a competitive basis to secondary, postsecondary, and undergraduate educational institutions in Florida. The purpose of these funds is to establish secondary Career and Professional Academies (CAP); expand or implement new school district postsecondary programs, and increase the capacity of undergraduate programs in critical areas identified in legislative appropriation.
