## MEMORANDUM

**TO:** Florida School District Superintendents  
Directors, University Research Schools  
President, Florida School for the Deaf and the Blind  
Assistant Director for Education and Job Training, Department of Corrections  
District Program Coordinators

**FROM:** Dr. Eric J. Smith

**DATE:** March 24, 2009

**SUBJECT: 2009 TALENT POOL RECOMMENDATIONS**

---

The State of Florida maintains a file of emerging classroom leaders that consists of a cadre of distinguished teachers and principals. These educators may be considered for membership on advisory boards and task forces, as well as candidates for special recognition programs. Your recommendations will identify educators who will be of great value to our community and state efforts. We would like to add to our list of educators relatively new to the profession who demonstrate exceptional instructional and leadership ability. Such persons exhibit strong potential for professional leadership and an inspiring presence that impacts students, colleagues and the community.

I am sure you have had the opportunity to work with a relatively new educator who is illustrative not only of our state's, but the nation's best in teaching, distinguishing him/herself above and beyond established top-quality professionals in many of our schools. In most cases we are looking for secondary level classroom teachers with a minimum of five years in education, who are recognized by peers and supervisors as unique in their professional growth. Principals and specialists are also sometimes needed. Previous recognition is not required. In fact, of special interest are educators who are outstanding, but have not received other recognition.
