SUBJECT: Kindergarten and Seventh-Grade Immunization Status Report 2012-2013

Section 1003.22, Florida Statutes, and Rule 64D-3.046, Florida Administrative Code, require the Florida Department of Health (FDOH) to collect annual reports from all public and private schools to certify compliance with the school immunization law. The Florida Department of Education and FDOH continue to work collaboratively to provide technical assistance and support to school districts and local health departments regarding the implementation of these requirements. For more information, visit the School Immunization Requirements website. For technical assistance, see the current Immunization Guidelines (March 2013).

Please see the accompanying FDOH memorandum dated February 25, 2013, with eight enclosures regarding the 2012-2013 Kindergarten and Seventh-Grade Immunization Status Report. If you have questions or need additional information, please contact Amy Wilson, Department of Health, Bureau of Immunization, at 850-245-4444, Extension 2395.
