SUBJECT: **2015–16 Statewide Assessment Schedule Released**

The purpose of this memorandum is to announce the 2015–16 Statewide Assessment Schedule. You may access this schedule in the attachment accompanying this memorandum. In this schedule, you will find test administration windows for the Florida Standards Assessments, as well as the remaining FCAT 2.0 and Florida End-of-Course Assessments.

Please note that the "Other Statewide Assessments" section does not appear on this schedule. As a number of assessments in this section are in transition, the schedules have not yet been established. Once these are available, the 2015–16 Statewide Assessment Schedule will be revised and the "Other Statewide Assessments" section will be added.

The 2014–15 schedule was released May 2014, and we have made the following modifications to this schedule.

- Summer 2015 administration dates have been added for FSA EOC assessments.
- FSA assessment windows have been separated into "Computer-Based" and "Paper-Based Accommodations" sections to reflect different end dates for paper-based accommodation administrations.

We will continue to provide information and resources about the Florida Standards Assessments as they are available. These resources will be posted to the Florida Standards Assessments (FSA) Portal at http://www.fsassessments.org. In the meantime, if you have questions about the schedules or information in this memorandum, please contact the Bureau of K-12 Student Assessment at 850-245-0513.
