MEMORANDUM

TO: District Title I Coordinators

DATE: September 30, 2002

FROM: Betty Applewhite

SUBJECT: Early Childhood Component Survey—2002/2003

Attached you will find a survey designed to obtain information regarding the Title I, Part A preschool programs and early childhood activities being conducted in your district. Previously this information was obtained from the Title I project application that your district submitted annually. The 2002-2003 project application did not include this component; therefore, in an effort to maintain this data at the State level, we are asking that the attached survey be completed and returned to our office by October 25, 2002. Having this data will assist us in readily providing requested information to other federal/state agencies. If this component does not apply to your district, please indicate "N/A".

Please return the completed survey via e-mail or fax to Jessie Simmons at Jessie.Simmons@FLDOE.ORG or fax to (850) 922-9648. If you have questions, please feel free to call Jessie Simmons or me at (850) 922-8954 or SC 292-8954.
