TO: District School Superintendents

FROM: Linda Champion

SUBJECT: February 2005-06 Transportation Survey

This document is intended to assist school districts in providing safe and efficient transportation services to Florida's student population. Through this and other types of assistance, the Office of Funding and Financial Reporting supports the mission of Florida's K-20 education system to increase the proficiency of all students within one seamless, efficient system.

The February 2005-06 student transportation survey will be conducted the week of February 6-10, 2006. The Automated Student Information System (student transportation format) will be used by all districts to transmit their February student transportation information.

Please refer to the 2005-06 Student Transportation General Instructions on-line at http://www.firn.edu/doe/fefp/trans.htm for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System, and reporting deadlines. A list of the reporting deadlines is also attached for your convenience. The system cut-off date for reporting February survey data is Friday, March 10, 2006. All database input must be complete as of this date. The attached form letter, which certifies the adjusted membership and the number of buses reported on the database, must be signed by the District School Superintendent and submitted no later than Thursday, March 16, 2006. The February student transportation information provided in this letter must match that reported in the database as of the system cut-off date. Districts may utilize transportation report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter. The information in this letter will be compared with the Department's report to ensure that accurate information is used in the transportation funding formula.

Please contact Jennifer Seifert (Office of Funding and Financial Reporting) at (850) 245-0405, Herman Carter (School Transportation) at (850) 245-9795, or Nada Stauffer (Education Information and Accountability Services) at (850) 245-0400 if assistance is needed.
