MEMORANDUM

January 20, 2006

TO: District Coordinators of Assessment
Assistant Superintendents of Instruction

FROM: Cornelia S. Orr, Director
Assessment and School Performance

SUBJECT: Internet Access to FCAT Demographic Results

I am pleased to announce the availability of the updated website containing FCAT Demographic Results. The address is www.fcatresults.com/demog/.

The demographic results website provides for searches on state, district, and school level data. The report format is very similar to the format of the demographic reports you receive after each spring FCAT administration. Currently, the site hosts data for FCAT Reading and Mathematics 2000 through 2005 and for FCAT Writing 2001 through 2005.

I hope the website will be helpful for your staff and others who are interested in these data.

If you have any questions, please contact Bernard Stevens in the Office of Assessment and School Performance at 850.245.0513 (SUNCOM 205.0513).
