REQUEST FOR PROPOSALS

We are pleased to provide you with electronic access to a Request for Proposal (RFP) concerning the Florida Center for Mathematics and Science Education Research. This document provides guidance and instructions necessary to apply for competitive funding to establish a research center focused on increasing student achievement in mathematics and science with an emphasis on K-12 education for students in Florida. The competitive RFP and application may be obtained from the following website: <http://www.firn.edu/doe/curriculum/rfp.htm>.

Applicants are encouraged to present innovative proposals supported by scientifically-based research. We look forward to receiving your application. Questions should be directed to Mr. Todd Clark, Bureau of Instruction and Innovation.
