

ATTACHMENT G
Review Committee Selection Process
(For Discretionary Competitive Projects Only)

Program Title: Innovative Reading Pilot Program

Process Description:

The staff of the Just Read, Florida! Office will convene a committee including representatives from the Department of Education, Florida Center for Reading Research (FCRR), and Reading First Professional Development (RFPD) at UCF, to review district applications to ensure that there is focus on student achievement and scientifically based reading research. All Florida districts are eligible to apply for the Innovative Reading Program Grants.

- The projected size of the committee is 20
- Reading expertise will be represented on the committee
- The proposed committee will be represented demographically (geographic location, district size, racial/ethnic, types of agencies represented, etc.)
- The Just Read, Florida! Office will invite participants to be a part of the review team

- Instructions -

Review Committee Selection Process

- Identify the projected size of committee (number of members)
- Describe the types of expertise to be represented on the committee
- Describe the demographics of the proposed committee (e.g., geographic location, district size, racial/ethnic, types of agencies represented, etc.)
- Describe the process that will be used to select members (e.g., request for nomination, volunteers, invited participants, etc.)

NOTE: A complete description of the committee membership, including names, titles and other identifying information must be attached to the Prioritized Funding List when forwarded for approval.
