

Florida Virtual School (FLVS) Offering All Florida Students Access to an Online FCAT Prep Course

Below are the directions for accessing both the 8th and 10th grade FCAT prep courses. Teachers, parents, and students may use the activities and resources in this course to help prepare students for the test. Some teachers take their students into a computer lab once a week to access the course lessons, while other teachers use the tool for individualized student work on specific assignments.

For course access:

1. Using Internet Explorer, go to the FLVS website: www.flvs.net
2. On the FLVS home page, click on the **FCAT link**.

3. From the next page, follow the on-screen directions:

- 
- **Click on FCAT logo below to log in.**
 - **A new browser window will appear.**
 - **Username and Password: fcata (Use lower case only!)**

4. On the next page, enter the posted user name and password (fcata for both).
5. Click on the **Enter Here** button to choose the FCAT 8th or 10th Course.
6. For problems, contact help@flvs.net or 1-866-322-8324.
