## MEMORANDUM

**TO:** School District Superintendents  
Title II-A, Teacher and Principal Training and Recruiting Fund Project Directors

**FROM:** Pam Stewart

**DATE:** June 7, 2013

**SUBJECT:** **Title II-A, Teacher and Principal Training and Recruiting Fund,  
2009-10 – 2011-12 Report**

The Division of Public Schools is pleased to provide the 2009-10 – 2011-12 Title II, Part A Teacher and Principal Training and Recruiting Fund Report. The entitlement portion of Title II, Part A is intended to increase student academic achievement through the utilization of strategies such as improving teacher and principal quality by increasing the number of highly qualified teachers in the classroom and highly qualified principals and assistant principals in schools. These program funds are applied to address identified needs within local educational agencies (LEAs) to specifically assist the agency in preparing, training and recruiting highly qualified teachers and principals in core subject areas, as defined by the No Child Left Behind (NCLB) Act, P.L. 107-110.

The 2009-10 – 2011-12 report includes three years of data that LEAs were required to report for this program. The report exemplifies how the funds were expended. For your convenience, the report will be disseminated under a separate cover.

If you have questions concerning the report, please contact Peggy Primicerio.
