Prospective Applicants to Become a State-Approved Provider of Supplemental Educational Services

FROM: Pam Stewart

DATE: September 20, 2013

SUBJECT: 2013-14 Supplemental Educational Services (SES) Provider Application

The Florida Department of Education is pleased to announce the release of the 2013-14 Supplemental Educational Services (SES) Provider Application for the approval of SES providers. Supplemental educational services are tutoring and other supplemental academic enrichment services that are in addition to instruction provided during the school day.

In order to apply to become an SES provider in Florida, each applicant must submit an online application no later than 4:00 p.m. Eastern Standard Time on October 21, 2013. The online application may be accessed at <http://www.fldoe.org/flbpso>. It is the responsibility of the applicant to ensure that the online application is submitted by the stated deadline.

Please be advised that districts were afforded the flexibility to expend Title I Part A funds previously set aside for SES on general Title I activities, provided that such activities sufficiently support implementation of interventions in priority, focus and other Title I schools.
