### 2005 Online Offering:

LAE - 5932  
Classes of 35 students  
10 week semesters

## Course Information

Registration is on a first-come, first-serve basis beginning February 14, 2005, and is limited to Florida public school teachers. All secondary teachers, secondary reading coaches and secondary school teams are eligible to participate in the online course and will be given registration priority. Elementary teachers can participate on a space available basis.

This course is available for all secondary teachers who need or want the endorsement, secondary reading coaches, and secondary school teams. We are encouraging interested high school and middle school teams to register as a group. There are 250 spaces allocated for middle and high school teams, so please form your teams and register as soon as possible. Elementary teachers and coaches may sign up for this course if space is available.

FSU will coordinate approximately 29 sections (35 participants per section) throughout the 2005 school year, serving up to 1,000 teachers. Each section will be delivered by a highly qualified university professor over the course of a ten week semester. Multiple sections, dependent upon demand, will be offered simultaneously.

## Registration

The Competency One inservice point option is offered to participants at no cost. Students choosing the three hour graduate credit option will be required to personally cover the cost of tuition, which is \$654.53.

Registration opens on February 14, 2005. Please register at the following website:

<http://justreadflorida.coe.fsu.edu>

Registration requires the applicant to include personal and school information. In order to register as a team, please select a team name and enter it into the designated field upon registration. Each applicant can then reference that team name when they register.

On the registration form, there is a place to indicate if the student is seeking graduate credit. Graduate credit students who participate in the online course are responsible for insuring that they receive graduate credit in their respective programs of study.

Registration confirmations will be sent once a student is admitted into a class or given a place on the waiting list. Registration questions may be directed to:
